STATINTL

1. The nomination [REDACTED] for the National Capital Award has been proposed by the DD/S&T and is submitted for consideration. Biographic material on [REDACTED] and a copy of the letter from Dr. Lear, National Science Foundation, are attached.

STATINTL

2. Although [REDACTED] has been employed with the Agency only since last June, he has an excellent record with the USAF and some of his important work there is directly related to his current assignment. If his nomination is approved, our supporting justification to the Awards Committee will be based on [REDACTED] professional career to date rather than on his period of Agency service alone.

STATINTL

3. Our nomination of a candidate or declination should be mailed to Dr. Lear no later than 3 February. In view of this deadline and the required time to prepare the necessary supporting data for a nomination, it is requested that this Office be advised as soon as possible of the decision made concerning the nomination of an Agency candidate for this award.
